

**Maurizio Pellegrini,  
MSc, FRM, CEEM  
AZIMUT Investments  
AZIMUT Group**

Maurizio has been active in the insurance-linked securities space for several years, initially within the specialised hedge fund Eskatos and since 2019 within AZIMUT Group's main fund management platform, Luxembourg-based AZIMUT Investments SA (formerly AZ Fund Management SA), where he is currently in charge of the life ILS business, besides covering the development of the wider ILS business of the Group. Maurizio - who currently sits on the board of the European Life Settlement Association - holds a MSc in Finance from Bocconi University, Milan, the Financial Risk Manager (FRM) designation awarded by the Global Association of Risk Professionals (GARP) and the Certified Extreme Event Modeler (CEEM) designation administered by the Verisk's AIR Institute.
